harmony

Pno.

C Em G Bm G Em D G

Fine v4

Optional linking passage, after verses 1 - 3 only

21

Pno.

G C D G Bm G C D Cmaj⁷ D D⁷

Notes: This tune can be used for 2-part choir or duet. Also solo, with or without a wind instrument - possibly clarinet - playing the second line.

The linking passage is optional, of course, as is the guitar. If using it as a solo or duet, then the guitar could be used alone. There are all sorts of combinations, so use it however you wish!
